

order number: L02002A0198

Installation cable AMJ 500 U/FTP 4x2xAWG23/1 LSZH, Cat.6A, blue, 500 m

Fig. may differ

Technical Attributes	
Description	AMJ 500
Structure	U/FTP 4x2xAWG23/1 LSZH, Cat.6A
Category	Cat.6A
Colour	blue
Length	500 m
Euroclass	Dca
Smoke production	s2
Flaming droplets	d1
Acidity	a1

### Description of the Series/Product Category

Notice: The following information refer to the series/product category as a whole. Please see the specific datasheet for specific technical information of a particular product.

The advantages of the individual pair shield and the approximately equal lay length of the wire pairs make these cables suitable for high to very high data transfer rates. The omission of a total shield gives these cables a thinner mechanical design so that the demands on the bending radii are less. These cables are therefore ideal for use especially in cable duct systems with small dimensions.
